

One Example of Lesbian Photography

Black-spread pussy bristling
through sheer panties
among unmade bed
and dressers of deal
with gummy glass knobs

in dankest light. HERE!
and look widely Suckah,
cause it aint for you
no way, not even in your sickest dreams.

Okay, but watch The Emperor of Ice Cream:
'cause he'll get it, Sass-Ass, regardless
of where, or in and out
closet manifestos of hair.

Yeah we're all of us sassy
and want to push our sex
at the square world, Play

Doctor against deceit, display
IT! What'yuh think of that, huh?
Huh, Moles of Sniveling?

They think no more or less. They dream
of The Emperor of Ice Cream.
